

HIS NAME IS JESUS

Walter H. Straub Jr. 2001 WHS Music

Verse #1:

who has love that never ends?
who can hide me in His wings?
And who is faithful to the end?
who can take away my guilt and shame forever?

Chorus:

His name is Jesus (4x)

Verse #2:

I have never know a love as great as Your love
You never fail me in my time of trial and need
I will turn again and seek You, Lord
And call upon the mighty power in Your name

JESUS YOU ARE

Walter H. Straub 2009 Turkey Creek Music

Verse #1:

Jesus, you are great and mighty
Over earth and heaven reign
You are the ever healing God
For those who are in pain

Chorus:

I know you are the one who came
That those who trust in you might be restored

Verse #2:

Jesus, you are my redeemer
I was lost before you came
You reached your hand down from above
And led me to eternal gain

LORD LEAD ME OVER

Walter H. Straub Jr. 2008 Turkey Creek Music

Verse #1:

Jesus, redeemer and maker of my life
You know the fault of my ways
But Lord, still you love me
You say that You'll never leave
This is a promise You made

Chorus:

Lord lead me over
To Your living waters
To streams of life
where my spirit can grow

Verse #2:

Perfect in holiness
You are so beautiful
You are the one I adore
Help me to love You
And give myself for You
And never believe in the enemy's lies

YOU ARE ALL THAT REALLY MATTERS

Walter H. Straub Jr. 2008 Turkey Creek Music

Verse #1:

Cast my will upon your water
Let it sink beneath the waves
Take my heart and give it order
Help me give my life away

Verse #2:

And let you take my world apart
Let your ways become my pleasure
Jesus, you are all that really matters

Chorus:

You oh Lord
You're the only thing that really matters
You oh Lord
You're the only thing that really matters

MY REDEEMER

Walter H. Straub Jr. 2009 Turkey Creek Music

Verse #1:

I want to be found
At the foot of the cross
In times I am present
And times I am lost
You comfort me so with Your mercy and love
I want You to know that I love You so much

Chorus:

Oh, You are my redeemer
In You I shall not be in want
